

hey neighbor happy hour

Meet your neighbors. Be informed.

Everything's not all bad, right? **Hey Neighbor Happy Hour** is a spot for downtown Tucson people to gather and hear positive and hopeful stories of community building and placemaking from the coolest folks we can find.

Hey Neighbor continues at Exo on Thursday, June 7th from 5:30 to 7pm with an education edition. **City High School co-founders Eve Rifkin and Brett Goble** will reflect on the institution's founding, the upside of a downtown location and what quality education means for Tucson neighborhoods.

Sponsored by the West University Neighborhood Association.
